

REMARKS

Applicants acknowledge receipt of the Notice of Allowance dated October 13, 2009 allowing Claims 1, 3-7, 10-15, 18-27, and 29-36 of the above referenced application for letters of patent and respectfully concur with the Examiners decision. Applicants respectfully assent to the Examiner's September 26, 2009 Amendment of Claims 1, 12, 21 and respectfully submit the present proposed amendments in follow up to the Examiners Amendment. The presently proposed amendments correct informalities prior to issuance of the patent. Specifically, Applicants cancel claim 22 and insert the term "the" before the term "resource allocator" in claim 21. No new matter has been added.

Applicants therefore respectfully request the Office to enter the foregoing proposed amendments to the Specification in accordance with 37 C.F.R. § 1.312 under the Examiner's authority as specified in MPEP §714.16

Respectfully Submitted,
